

Just Trains Midland Main Line Sheffield - Derby Scenario Pack

Included in this pack are 7 Scenarios for the Midland Mainline route from Just Trains, These have been carefully created using plenty of timetables, Images and also Videos so plenty of research has gone into these scenarios for the best possible representation of the real working day.

Included Scenarios and Description

AL04 - 1C17 0649 Sheffield to St Pancras International

Duration - 39 Minutes

Route Covered - Sheffield to Derby

Hello again driver now you have had some breakfast its time to set up ready for the return trip to Derby. You are timetabled to leave at 06:49 and will call at Chesterfield and Derby only.

AL04 - 5F17 0545 Etches Park Sdgs to Sheffield

Duration - 43 Minutes

Route Covered - Etches Park Sidings to Sheffield

Good morning driver you are in charge of taking this Empty Coaching Stock as far as Sheffield. There are no reported problems of course it is very early in the day so the line should be quieter than usual.

AL04 - 0760 1500 Barrow Hill Colas Rail to Derby R.T.C.(Network Rail)

Duration - 28 Minutes

Route Covered - Chesterfield to Derby R.T.C Sidings

Driver you are to take this set of 2x Colas Rail Class 37s light loco move to Derby R.T.C. The run should be fairly smooth and there are no reported issues and the line is quiet this afternoon

AL04 - 417G 0610 Leeds F.L.T. to Southampton M.C.T.

Duration - 33 Minutes

Route Covered Chesterfield to Derby

Afternoon driver you have just recieved the road ahead to Derby but the signaller has just advised that a passenger service is going in front off you. You are tasked to take this train on a short run from Chesterfield to Derby where another crew will take the train on to Southampton

AL04 - 2A54 1639 Newark Castle to Matlock

Duration - 47 Minutes

Route Covered - Derby to Ambergate and Return

Evening driver the lines are very quiet this evening as the trains are slowing down for the day some already parked up in there sidings you however are currently just outside of Derby and need to take this train as far as Ambergate where you will terminate due to some emergency engineering works. Once in Ambergate you will then need to switch ends and bring the train back as far as Derby.

AL04 - 1S33 0703 Birmingham New Street to Edinburgh

Duration - 43 Minutes

Route Covered - Derby to Sheffield

Good morning driver the sun is rising and the passengers are arriving. Set yourself up here in Derby ready for your 07:44 departure. No reported issues on the line today so you should have nice run into Sheffield where another Crew will take the train to Edinburgh

AL04 - 1C52 1359 Sheffield to St Pancras International

Duration - 39 Minutes

Route Covered - Sheffield to Derby

Good afternoon driver you are in charge of this East Midlands HST set to Derby where another driver will take the train onwards to St Pancras. Set yourself up and allow passengers to board before your 13:59 Departure. There is a delayed service on its way out in front of you so you may encounter some adverse signals.
