

## 1B06 08:18 London Paddington-Cardiff Central

It's the 8<sup>th</sup> of March 2023 and an unexpected dusting of snow last night had caught many off guard, but non the less has led to lovely scenes across Great Britain. This morning you'll be taking 1B06 the 08:18 London Paddington to Cardiff Central service from Bristol Parkway to Cardiff Central calling at Newport along the way. Thankfully, no disruption has been reported so it'll be an easy morning.

### **1L10 07:20 Swansea-London Paddington**

It's the 6<sup>th</sup> of October 2021 and on a crisp autumnal morning you're in charge of GWR's 1L10 the 07:20 service from Swansea to London Paddington as far as Bristol Parkway. Whilst most TOC's are still running a slightly reduced timetable for Covid passenger numbers are on the rise so your 5 car set this morning may struggle with loadings. You'll make stops at Neath, Port Talbot Parkway Bridgend, Cardiff Central, Newport and Bristol Parkway along the way.

### **2U14 07:40 Penzance-Cardiff Central**

It's a crisp January morning and today you'll be taking GWR's 2U14 the 07:40 Penzance to Cardiff Central service from Bristol Temple Meads to the Welsh Capital. You'll be calling at Filton Abbey Wood, Patchway, Severn Tunnel Junction, Newport and Cardiff Central. As usual the lifts on platform 2 & 3 and Newport have packed in so all down services are using platform 1, but this should be too much of an issue. 43122 and 158 provide power for you 2+4 HST set.
